NSC BRIEFING

24 September 1953

KHRUSHCHEV QUOTES

1. Khrushchev assures the Central Committee that, "The Party and the government are at present setting up the material, technical, and organizational conditions for a further consolidation of collective farms, machine-tractor stations, and State farms."
2. Khrushchev indicates the final step when says: "We want gradually to liquidate the system of separate farms and to set up collective farm SETTLEMENTS;" "The collective farmers themselves will no longer wish to live in separate farms and will raise the question of improving their cultural and living conditions."
3. Khrushchev assured the Central Committee that "the time will come when the development of commonly owned animal industry
